## **Speed Fest 2011**

## **Project Status: Completed**

Speed Fest '11 is certainly a project worthy of celebration. All customers with our High Speed Internet Services have been upgraded to faster speeds. As travelers pass through the TBTC telephone service areas, sonic booms are heard with each customer's successful connection to their new TCI Mach speed Internet service. OK, so you won't actually hear sonic booms but with speeds of up to 15 Megabits per second, you certainly can feel the speed increase when surfing the net!

*If you're ready to experience the ultimate internet experience, call our Customer Service Department at 585-2700 to upgrade your service or at least find out what you may be missing.*

In Honor of  
Memorial Day  
All TBTC offices  
will be closed  
Monday, May 30th.  
TBTC/TCI wishes  
all of you a peaceful  
and safe holiday.

**Memorial Day 2011** is a United States federal holiday observed on the last Monday of May (May 30, 2011). Formerly known as Decoration Day, it commemorates U.S. soldiers who died while in the military service. First enacted to honor Union soldiers of the American Civil War, it was extended after World War I to honor Americans who have died in all wars.

Memorial Day often marks the start of the summer vacation season and Labor Day its end.

Begun as a ritual of remembrance and reconciliation after the Civil War, by the early 20th century, Memorial Day was an occasion for more general expressions of memory, as ordinary people visited the graves of their deceased relatives, whether they had served in the military or not. It also became a long weekend increasingly devoted to shopping, family get-togethers, fireworks, trips to the beach, and national media events such as the Indianapolis 500 auto race, held since 1911 on Memorial Day.
